

Navigator

Bringing together the essential elements of a business travel service so you can quickly start managing your travel and meeting spend smarter.

Add value, save time and costs

Whether your travel is managed or unmanaged, our Navigator service is designed to make things simple. Organising business travel for any organisation can be a complex and sometimes daunting task; complicated legal documents, lengthy implementation processes and confusing pricing structures often associated with travel management companies can sometimes make the help of a professional seem out of reach.

Born from these struggles, is Navigator. A neatly packaged travel and meetings management solution, tailor made for businesses that need a simple and easily accessible tool saving time and money, providing value for organisations and travellers. We use the latest innovations to continually improve and enhance the customer experience.

Through in depth research of the technology market, we have combined the best in-class solutions for air, rail, accommodation, meetings and events to create a unique and flexible online booking solution consolidated within one simple, intuitive tool.

You will be able to streamline your expenses and administration via our centralised payment solution, consolidated invoicing, bill back facilities and VAT reclaim, that only a specialised travel, meetings and events company can offer.

Free, friendly and reliable

With a vast range of benefits and features, our free booking service includes unlimited access to your personal travel and account manager, monthly insight reports, your own dedicated booking team, consolidated invoicing, online booking tool, discounted travel and much more.

The simple nature of Navigator means that you can start managing your travel and meeting spend smarter within days. Whilst we deal with all your travel bookings, you
